SUBJECT GROUP 7000-7099 GENERAL

SUBGROUP 7050 - HOST-TENANT RELATIONSHIPS (INTRA-NAVY)

7050.1 General. If a foreign ship has a repair requirement beyond the scope of the host's ability to support and a Chandler is assigned (usually through the respective embassy) the assigned Chandler will arrange for ship repairs. If a Chandler is not assigned then the host ship should make the arrangements with the host ships' TYCOM. Method of payment must be agreed upon prior to commencement of work. Routine ship's maintenance will be coordinated between visiting foreign ships and their assigned host.
